

**TEXAS COMMISSION ON JAIL STANDARDS
SPECIAL INSPECTION REPORT**

Facility Name: Callahan County Jail

Date:

April 24, 2019

Item	Section	Paragraph	Comments
1	273	.5 (b)	Screening Instrument. An approved mental disabilities/suicide prevention screening instrument shall be completed immediately on all inmates admitted. Due to the uncooperative nature of the inmate, the screening instrument was not completed; this was not documented on the screening form. Additionally, the inmate was not placed on suicide precautions and a supervisor was not notified as mandated on the screening form.
2	261	.121	Visiting areas shall be provided and shall be designed to provide adequate visitation for the capacity of the facility. Visitation areas shall be designed for the degree of security sought to be achieved.

Visitation areas are not designed for and shall not be utilized as holding cells.
